Dearest Member(s) of Macedonia Missionary Baptist Church:

On Sunday, November 17, 2019, our Great and Loving Church received a charge to officially restart our Capital Stewardship Campaign from another perspective. This letter is to respectfully and spiritually ask your participation and financial support through sacrificial giving to undertake a five-year financial campaign to improve the infrastructure and beautification of the Church and its campus proper.

Additionally, we further request your completion of the enclosed pledge form to start the formal administrative task to document your commitment and participation in the five-year campaign. Please note that one of the four categories may be used to designate your level of participation over the next five-year period which will be a sacrificial contribution above our normal tithes and offerings.

Please complete and submit/ turn in your pledge form to the Church Administrator, Mary Alabi, by the last Sunday of this month, December 29. Once your form is received/processed, you will be provided a confirmation of receipt and a church identification number to administratively account for your contributions in a secured environment. Additionally, our CSC Committee will be providing periodic reports to reflect the status of what has been contributed on a collective basis and what the incurred expenses are in defraying the costs of the projected infrastructure repairs and renovations.

Guidelines also are enclosed to inform you how you may check the status of your contributions using the Church's Shelby automated system. Any inquiries may be addressed to Sister Alabi at 210.433.5636 ext. 106 at your earliest convenience.

We sincerely appreciate your favorable participation and cheerful, sacrificial giving to your Church's initiative in "Magnifying God's House through Sacrificial Giving" for the next five years.

"To God Be the Glory" and "In Spiritual Love",

Jerry Wm. Dailey,
Pastor
